Articulate Presenter

dynamix training

Call: 01628 810 196 | jessica@dynamix-training.co.uk | www.dynamix-training.co.uk

Course Description

This course teaches delegates how to use Articulate Presenter to create and publish compelling training solutions, including designing an eLearning interface customised to its subject matter and target audience. The courses also shows delegates how to add photographs, charts, illustrations and digital video totheir eLearning solution, how to make effective use of animation and how to add instructional dialog to their course and sync the narration with display elements.

The course runs from 9.30 am to approximately 4.30 pm. Duration: 2 days.

Overview

Components of a quality eLearning program
PowerPoint as an eLearning development tool
Designing a presentation for individual use versus
speaker-led use

Introducing Presenter

Why use Articulate?

Accessing Presenter features from within PowerPoint
